FELTLOOM+

from Sunny Meade Alpacas Ltd.

Class Offerings

Are you looking for something new and creative to do, something other than painting on a canvas? Sunny Meade Alpacas has a farm fiber studio, and has planned a number of fun classes to explore the many creative uses of our Lexi FeltLOOM.

Needle felting is the process of using a barbed needle to repeatedly jab alpaca/wool fibers causing them to grab each other and tangle, becoming compact into flat pieces. Our FeltLOOM greatly increases the number of needles used in traditional needle felting, from just a few needles to 3 rows of 100 needles.

No experience is required for our unique classes, you will be instructed on techniques. A bonus is that our studio has a picture window where you can see the alpacas in the barn. You are also welcome to take a break during the class to interact with the alpacas if you like. Due to the studio size the class sizes are limited, so register early. Here descriptions of some of the future class offerings.

Make 2017 a Banner Year

Thursday, April 6, 2017
6 p.m. to 8:00 p.m.

We are offering a series of classes where 2017 can be visually journaled and document-

ed. You come to the studio and create 8"x9" panels, four times throughout the year. At the end of the year the panels can be attached into a beautiful long banner for framing or free form hanging. Don't worry about art experience or ability. Your panel can be abstract or a rendering of something that has happened in your life. Simply bring your ideas to class and explore color and texture. In art there is no right or wrong, especially when it involves self expressionism!

The first panel, documenting January thru March will be offered Thursday, April 6th. The three remaining classes will happen the first Thursday of, July and October, and then the last Thursday of December.

Cost: \$20 per session

To reserve a spot for any of our classes email sunnymeade@windstream.net or call 419-875-5582. Currently only check or cash accepted.

I Feel Like Scrap

Friday, April 14, 2017
6 p.m. to 8:00 p.m.

Sunday, April 30, 2017
2:00 p.m. to 4:00 p.m.

Do you need to get away for a few hours to have a little fun? This class is about taking bits and pieces of yarn, felt, batting and raw fiber, and turning it into something creative like a flower pin, coffee cozie, kitty toy, or wearable accessory. The options are only limited by your creativity. The cost of the class includes materials, instruction and use of the FeltLOOM. Open to ages 10 years to adult.

Cost: \$25

Alpaca Wood Block Painting

Friday, April 28, 2017
6 p.m. to 8:30 p.m.

Are you looking for a fun and unique experience? Come paint a picture of an alpaca on a 7" x 5" wood block, in a mixed media technique. No special art talent is necessary, you'll be walked through the steps. Everything will be supplied. There will be a break to interact with the alpacas. Open to ages 10 years to adult.

Cost: \$35

Create Your Own Class

If a class date or time doesn't work with your schedule, you can create your own class if there are at least two people attending. If it's cool weather the maximum is typically 5 people. Once it warms up class size can increase to 10 and flow out into the barn with the alpacas. You're welcome to bring your favorite beverage and snacks. Don't forget there's an opportunity to take a break and rub noses with the alpacas! Open to ages 10 to adult. Call or email for availability.
